Just three words used to describe the Crystal Umbrella Job Board.

The Crystal Umbrella job board is more than a simple job site, it is part of one of the fastest growing jobs networks in the UK. The Professional Passport Jobs Network provides direct access to thousands of contractors, through many of the leading service providers; as well as the many members of Professional Passport.

Our exclusive contractor focused job board receives over 30,000 hits each month, resulting in 3000 unique contractor enquiries; all searching for that next peachy contract. How would you like to take pride of place as a featured recruiter, have a targeted advert on our job board home page and newsletter or use the FREE vacancy poster software?

Get your job vacancies seen and filled first, become one of our affiliated recruiters today and benefit from:
